- Reminder:** Report on a separate line for each class of equity securities beneficially owned directly or indirectly.
- (1) A person is directly or indirectly the beneficial owner of any equity security with respect to which he has or shares:
    - (A) Voting power which includes the power to vote, or to direct the voting of, such security; and/or
    - (B) Investment power which includes the power to dispose of, or to direct the disposition of, such security.
  - (2) A person will be deemed to have an indirect beneficial interest in any equity security which is:
    - (A) held by members of a person's immediate family sharing the same household;
    - (B) held by a partnership in which such person is a general partner;
    - (C) held by a corporation of which such person is a controlling shareholder; or
    - (D) subject to any contract, arrangement or understanding which gives such person voting power or investment power with respect to such security.

- b. For each person named in response to paragraph (a), indicate the number of shares as to which there is sole power to vote or to direct the vote, shared power to vote or to direct the vote, sole or shared power to dispose or to direct the disposition. Provide the applicable information required by Item 2 with respect to each person with whom the power to vote or to direct the vote or to dispose or direct the disposition is shared.
- c. Describe any transaction in the class of securities reported on that were effected during the past sixty (60) days by the persons named in response to paragraph (a). The description shall include, but not necessarily be limited to: (1) the identity of the person who effected the transaction; (2) the date of the transaction; (3) the amount of securities involved; (4) the price per share or unit; and (5) where or how the transaction was effected.
- d. If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of such securities, a statement to that effect should be included in response to this Item and, if such interest relates to more than five (5%) percent of the class, such person should be identified.

Include such information for any of the securities that are pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities except that disclosure of standard default and similar provisions contained in loan agreements need not be included.
